Solicitations & Awards

Once at this page, users need to either click in the “Keyword Search” field and type in items like solicitation number, buyer’s name, etc. The can also click in one of the other three fields and choose from the drop down list.

The screenshot displays the AMS ADVANTAGE Vendor Self Service web application in a Microsoft Internet Explorer browser window. The address bar shows the URL: <https://buys-www-16.buysense.com/webapp/VSSAPPX/Advantage>. The page title is "AMS ADVANTAGE Vendor Self Service".

The main navigation bar includes links for "Welcome, Guest User", "Business Opportunities", "Vendor Registration", "Vendor Bulletin Board", "Arriba", "Home", "Help", "Accessibility", and "Logout".

The left sidebar contains the "AMS ADVANTAGE" logo and a "Welcome, Guest User" message.

The main content area is titled "Search for Solicitations". It includes a search instruction: "Search through our current postings of Solicitations. The Keyword search will scan Solicitation number, Solicitation description, Agency/Entity, commodity description, and buyer name for occurrence of your keyword." Below this is a "help & advice" link.

Quick Search Options are listed: "Open Solicitations", "Recently Published (last 3 days)", "Items Closing this week", "Recent Amendments", "Recent Intents to Award", and "Recent Awards".

Advanced Search Options include fields for "Keyword Search", "Agency/Entity", "Search by Status", and "Search by Category". There is also a "Number of rows per page" dropdown and a "SEARCH" button.

The search results are displayed in a table with the following columns: Type, Solicit ID, Agency/Entity, Description, Published Date, Amended Date, Status, Closing Date, Intent Posted Date, and Buyer. The table lists various solicitations, including those from the Virginia Employment Commission, Department of Conservation and Recreation, Library of Virginia, J. Sargeant Reynolds Community College, Virginia Department of Transportation, Department of Corrections, Virginia State University, J. Sargeant Reynolds Community College, College of William and Mary, University of Virginia, Virginia State University, Radford University, George Mason University, Debnay S. Lancaster Community College, John Tyler Community College, Department of Forestry, Jamestown-Yorktown Foundation, and Virginia Department of Transportation.

Navigation buttons at the bottom of the table include "First", "Prev", "Next", and "Last".

Future Business Opportunities

Once at this page, users can see opportunities that are coming out during the next several months. Users can search by keyword or type in a commodity code.
